

## **Métis Nation-Saskatchewan President shaves off his moustache on December 1st in support of Movember**

(December 1, 2011—Saskatoon) Robert Doucette, President of Métis Nation-Saskatchewan, turned things upside down today by having his moustache shaved off in support of Movember Canada. The staff of MN-S raised \$1,130 in the past two weeks for the campaign which supports men's health, particularly prostate cancer research.

“After 31 years it's going to take me a few days to get used to seeing my top lip,” said Doucette with a laugh. “To be honest, it started out as a joke but then grew into something meaningful and I'm truly grateful for all the support the MN-S staff has shown.”

The event took place at MN-S offices in Sutherland, with esthetician Melissa Slauenwright from Boutique Be You Te Ful on hand to shave Doucette's moustache.

Métis Nation-Saskatchewan would like to thank everyone who donated to the campaign. In particular, they would like to acknowledge the generous donations made by John Lagimodiere/Eagle Feather News, Round Prairie Ventures, Métis Western Area 2a, Scotiabank, MN-S staff member Cheryl Troupe, as well as Terry Wasylow of Boutique Be You Te Ful who donated their time to the event.
